Make Good Choices at Auburn Public School

Be Respectful  Be Safe  Be Active Learners

Principal’s Message

Dear Parents and Caregivers,

We hope that all students have settled nicely into Term 3. A reminder that Swim Scheme for Year 2 to Year 6 students starts next week and will continue for 2 weeks. If your child is attending swimming it is important that you make sure that you send them to school prepared each day. This means that swimming costumes will need to be dried overnight and ready for the next day. Please check any notes that have come home with more detail.

On September 4 we will hold our annual Cultural Diversity Day. This will be a wonderful opportunity for families to experience and celebrate the wonderful differences and similarities that Auburn Public School students bring with them every day. We hope that you can join us on this day. More information will be coming home in the next few weeks.

We would also like to take this opportunity to ask parents to remind their children that as a school, we expect students to value school property. This includes books, furniture, toilets etc. Lately we have had several instances of students writing graffiti or spreading paper around in the toilets and clogging toilets with toilet rolls. This is extremely disrespectful and costly for the school to clean up. If your child is found guilty of damaging school property you will be notified by a staff member.

Please also remind students about safety when crossing the road. Several students are taking considerable risks when crossing the road by running or crossing when the red light is flashing. If you are unsure about whether your child is crossing the road carefully, we encourage you to pick them up from school instead of letting them do this on their own.

Have a wonderful week everyone.

Opera House Spectacular

Congratulations to Aleyna Aydin who has been specially selected for the the emcee role at the 2015 Opera House Spectacular. The quality of the speech she developed and presented was of a very high standard and this student is an absolute credit to herself, her family and to our school.

The criteria used to select the emcees was:
1. Quality of the speech
2. Quality of voice, including clarity and expression
3. Confidence
4. Personality

Thank you to Mr Mark Harris, Principal at Auburn North Public School, for his outstanding job of coordinating this process. He passes on his congratulations as well.

I would like to congratulate Aleyna on her selection. A big thank you to Mrs Das, Ms Bynon and Ms Houghton for their preparation for this outstanding role.

We wish her every success on the night. A truly spectacular achievement!

Auburn Athletics Carnival Years 2-6

On Thursday 30th July, Years 2 to 6 travelled to Wyatt Park Athletics Centre, Lidcombe to participate in our annual Athletics Carnival. With wonderful weather and lots of students in attendance it was a great day! Students raced in their age groups, participated in high jump, long jump and shot put! Lots of fast and strong students at Auburn Public School! Students were on their best behaviour and tried very hard in every event!

The winners will be announced at a special Athletics Assembly coming soon. Students who make it to the Auburn Zone Athletics Carnival will be notified soon with notes going home at the same time.

Thank you to all students and teachers for their help and cooperation on the day.

If you have a child who will be 5 by the 31st July, 2016 and you live within our local area, please call into the school to complete enrolment information. Proof of address is required. If you have a neighbour who has a child ready for school, please let them know about enrolling their child for 2016.

School Crossing Safety

School crossing supervisors are provided to increase mobility and safety around schools by enhancing the performance of pedestrian traffic facilities. School crossing supervisors provide additional measures for the safe and efficient movement of primary and infant school children.

New signs have been erected at our school crossing in Susan Street, which instruct children and caregivers to “Stop, Look and Listen” before crossing the road. This is very important to follow as it ensures the safety of pedestrians.

Please discuss with your child/children the importance of road safety when crossing the road.
Open Day – Education Week
Positive Behaviour for Learning (PBL)

Recently, we have been discussing with teachers and students’ ways that we can improve our PBL practices across the school. This includes the many school initiatives such as discussing school rules, reviewing our communication with the community and revisiting slip systems. Also, teachers are looking at our intervention programs such as “Rock and Water”, “Tears and Tiaras” and playground mentoring.

As we continue to review our practices we will keep you updated through our school newsletter. Remember to make good choices at Auburn Public School!
